

Celebration of the 74th Independence Day (15/08/2020)

The Sangrahalaya celebrated the 74th Independence Day by hoisting the National Flag in presence of all the Staff Members in the early morning in the premises of the Sangrahalaya.

To explore the talents of the children and to make them more active in ongoing pandemic situation, The Sangrahalaya had taken an initiative to unite the Children against Corona through Art by organizing an Online Drawing Competition on the occasion of celebration of our 74th Independence Day on August 15, 2020. The group division for the competition was divided into three categories, viz., Group A for 5 to 8 years children, Group B for 8 years above to 12 years children and Group C for 12 years above to 16 years children. The participants submitted their drawings through online to the Sangrahalaya on August 15, 2020. All the collected drawings were forwarded to the panel of judges by the Sangrahalaya and after their judgments the Sangrahalaya declared the results through its website and facebook page on August 20, 2020. The first three winners in each category were awarded the cash prizes and all the participants were provided the E-certificates by the Sangrahalaya.
