

SPECIAL VISIT

Smt. Gouri Basu, Director of Eastern Zonal Cultural Center, Ministry of Cultural, Govt. of India, Salt Lake, Kolkata was invited as the Speaker for National Seminar on 'Remembering Mahatma Gandhi: Ideology & Relevance in the Contemporary World' on March 3, 2020 and after finishing the programme she visited the galleries of the Sangrahalaya and she commented on visitors book "*The Gandhi Smarak Sangrahalaya is a fascinating place. Starting from the paintings to the photographs and the artifacts / memorabilia used by the Father of the Nation, the visit to the Museum has been most memorable. Very well presented and with digital support, it has brought alive the life and times of Gandhiji and his connection with Bengal. The audio-visual room will provide great learning to students and scholars. The attach library is a treasure trove with so much materials. The model of Sabarmati Ashram with Gandhiji spinning is most realistic. A must visit for all*".
